

Plugins

Online Shopping Cart Integrations

The online shopping cart integrations will enable you to accept payments seamlessly and streamline your operations while providing your shoppers with a frictionless online checkout experience.

WooCommerce

[WooCommerce](#) is the most popular WordPress eCommerce plugin. And it is available for free. Packed full of features and perfectly integrated into your self-hosted WordPress website.

Magento

[Magento](#) is a feature-rich, open-source, enterprise-class eCommerce solution that offers merchants a high degree of flexibility and control over the user experience, catalog, content, and functionality of their online store.

OpenCart

[OpenCart](#) is a turnkey-ready “out of the box” shopping cart solution. You simply install, select your template, add products, and you’re ready to start accepting orders. It has order management built in and will provide lifetime free support and free software updates.

PrestaShop

Fast, efficient, and easy to use, [PrestaShop](#)’s free e-commerce solution provides everything you need to open, operate, and maintain a successful online store.

Salesforce Commerce Cloud

[Commerce Cloud](#) is a Software-as-a-Service eCommerce solution provided by Salesforce, one of the leading CRM solutions.

Shopify

[Shopify](#) is a complete platform that enables you to launch, grow, and run a business. You can build and design an online store with Shopify, sell on web, mobile, and social media platforms, and control your products, inventory, payments, and delivery.
