

Reports

Overview

The **Reports** section brings the most important operational data and user activities in one place. Whether you want to find out more details about your transactions and device management or generate reports, we provide an integrated service on Verifone Central.

How to access Reports in Verifone Central

1. Log in to your Verifone Central account.
2. Navigate to the **Commerce** tab.
3. Under the *Reporting* section, click on what type of report you want to access from the following:
 - [Transactions](#)
 - [3D Secure Authentications](#)
 - [Settlements](#)
 - [Report Scheduler](#)
 - [Generated Reports](#)
 - [Audit Log](#)

The screenshot shows the Verifone Central interface. At the top, there is a navigation bar with the Verifone logo and three tabs: **Commerce**, **Devices**, and **Administration**. The **Commerce** tab is active. Below the navigation bar, the **Commerce** section is displayed. On the left, there is a description: "Optimize commerce operations with a comprehensive suite of payment tools, designed to streamline transactions and maximize revenue. Stay on top of financial performance with detailed reporting on sales and revenue, and never miss a payment with a reliable payment deliverables." In the center, there is a red-bordered box containing the **Reporting** section. This section includes a list of report types: **Payments Dashboard**, **Transactions**, **3D Secure Authentications**, **Settlements**, **Report Scheduler**, **Generated Reports**, and **Audit Log**. On the right, there is a **Payment Tools** section with links to **Virtual Terminal** and **Pay by Link**.
