

Installments in Mexico

Installments without interest

The merchants can offer consumers, from Mexico, installments without interest plan with a selection of the number of installments, between 2 and 48, subject to the **Prosa**, **Banorte**, and **AmexMexico** acquirers.

This type of installment is available via API, MOTO (mail order, telephone order), Hosted Checkout, Pay By Link, and Virtual Terminal.

- The merchant will provide the number of installments that he wants to offer to the consumer
- This installment type carries interest fees
- The payment terms (period, fees, etc.) are between the cardholder and the issuer (Verifone is not part of it)
- Verifone does not manage the following installments
- The installments without interest are only available for a sale transaction
- The Installments without interest can be selected for these cards:
 - Amex
 - Carnet
 - MasterCard
 - Visa
