

Override

This command overrides the price or description on existing line item(s).

Rules

1. OVERRIDE is valid on merchandise that does not have an associated offer.
2. OVERRIDE is not valid for coupons, discounts, or items with associated coupons or discounts (i.e., offers). To edit lines where the MERCHANDISE line is associated with an OFFER, one would delete the MERCHANDISE (deleting merchandise will delete any associated offers) and re-add the MERCHANDISE and OFFER lines.
3. The session should be active and LINEITEMDISPLAY parameter should be enabled.

Configuration Parameter

Following are the configuration parameters which affect the operation. Refer to [Application Parameters](#) table for more details on the below parameters.

- LINEITEMDISPLAY
- FULLLIDISPLAYENABLED

Message Interface

Refer to the below Protocol section for the command fields description and examples.
