vficom::event::stk::menu_selection Namespace Reference

Variables

```
const COM3\_DllSpec char cmd_qualifier []
               integer More...
const COM3\_DllSpec char alpha []
               string - Alphanumeric descriptor More...
const COM3\_DllSpec char item_id []
               integer More...
const COM3\_DllSpec char total_items []
               integer More...
const COM3\_DllSpec char item_text []
               string More...
const COM3\_DllSpec char next_action []
               integer More...
const COM3\_DllSpec char icon_id []
               integer More...
const COM3\_DllSpec char icon_id_list_elem []
               integer More...
```

Variable Documentation

? [alpha](#)

```
const COM3\_DllSpec char alpha[]
```

string - Alphanumeric descriptor

? [cmd_qualifier](#)

const [COM3_DllSpec](#) char cmd_qualifier[]

integer

? icon_id

const [COM3_DllSpec](#) char icon_id[]

integer

? icon_id_list_elem

const [COM3_DllSpec](#) char icon_id_list_elem[]

integer

? item_id

const [COM3_DllSpec](#) char item_id[]

integer

? item_text

const [COM3_DllSpec](#) char item_text[]

string

? next_action

const [COM3_DllSpec](#) char next_action[]

integer

? total_items

const [COM3_DllSpec](#) char total_items[]

integer
