Enumerations

```
enum STKURCProCommand { SET\_UP\_EVENT\_LIST = 5,  
                        SELECT\_ITEM = 36,  
                        MENU\_SELECTION = 37,  
                        STK\_URC\_PRO\_MAX\_ENUM = 0x7FFFFFFF  
}
```

Variables

```
const COM3\_DllSpec urc []  
char  
string - "+STKPRO:" More...  
  
const COM3\_DllSpec proactive\_command []  
char  
integer (enum STKURCProCommand) - Type of command, for example 5 (SET UP  
EVENT LIST) More...  
  
const COM3\_DllSpec parameters []  
char  
object - contains parameters depending on proactive command More...  
  
const COM3\_DllSpec timeout []  
char  
integer - Timeout in milliseconds More...
```
