1. Log in to your Verifone Central account.
2. Navigate to the **Orders / Transaction** page and stay on the *Orders* view.
3. Select the **Transaction ID** from the drop-down menu or type the **Transaction ID** in the search bar.
4. Click on the transaction and navigate to the **Actions** tab.
5. The Refund option is enabled. The following validations are in place:
 - The amount cannot be less than 1 DKK/Euro and more than 999999999999.99 DKK/Euro. Moreover, the amount cannot exceed the remaining amount of the original payment that the refund is for. (e.g., if the original transaction is for 100 DKK/Euro, a refund cannot be done for 101 DKK/Euro).
 - The message is optional.
 - Refunds can be done for the full amount or partial amount until the original value is reached.
6. Enter the **amount** you want to refund.
7. Optionally, include a **reason** for the refund.
8. Click **Refund**.
9. If the refund is successful, it will be displayed in the recipient's bank account statement. Also, the transaction is linked to the original transaction and listed in the transactions report, and details are displayed in the transaction report in Verifone Central.
