 - The amount cannot be less than 1 DKK/Euro and more than 99999999999.99 DKK/Euro. Moreover, the amount cannot exceed the remaining amount of the original payment that the refund is for. (e.g., if the original transaction is for 100 DKK/Euro, a refund cannot be done for 101 DKK/Euro).
 - The message is optional.
 - Refunds can be done for the full amount or partial amount until the original value is reached.
6. Enter the **amount** you want to refund.
7. Optionally, include a **reason** for the refund.
8. Click **Refund**.

9. If the refund is successful, it will be displayed in the recipient's bank account statement. Also, the transaction is linked to the original transaction and listed in the transactions report, and details are displayed in the transaction report in Verifone Central.
