

Reports

Overview

The **Reports** section brings the most important operational data and user activities in one place. Whether you want to find out more details about your transactions and device management or generate reports, we provide an integrated service on Verifone Central.

How to access reports in Verifone Central

1. Log in to your [Verifone Central](#) account.
2. Navigate to the **Commerce** tab.
3. Under the *Reporting* section, click on what type of report you want to access from the following:
 - [Payments Dashboard](#)
 - [Orders / Transactions](#)
 - [3D Secure Authentications](#)
 - [Settlements](#)
 - [Report Scheduler](#)
 - [Generated Reports](#)
 - [Audit Log](#)

The screenshot shows the Verifone Central interface. At the top is a navigation bar with the Verifone logo and three tabs: **Commerce**, **Devices**, and **Administration**. The **Commerce** tab is active. Below the navigation bar, the **Commerce** section is displayed. It includes a description: "Optimize commerce operations with a comprehensive suite of payment tools, designed to streamline transactions and maximize revenue. Stay on top of financial performance with detailed reporting on sales and revenue, and never miss a payment with reliable payment deliverables." To the right of the description is a **Reporting** section, which is highlighted with a red border. This section contains a list of report types: **Payments Dashboard**, **Orders/Transactions**, **3D Secure Authentications**, **Settlements**, **Report Scheduler**, **Generated Reports**, and **Audit Log**. To the right of the **Reporting** section are two columns of links: **Payment Derivations**, **Dispute Management**, **Monthly Invoice Summary**, and **Payout** in the first column; and **Payment Tools**, **Virtual Terminal**, and **Pay by Link** in the second column.
