

Audit Log

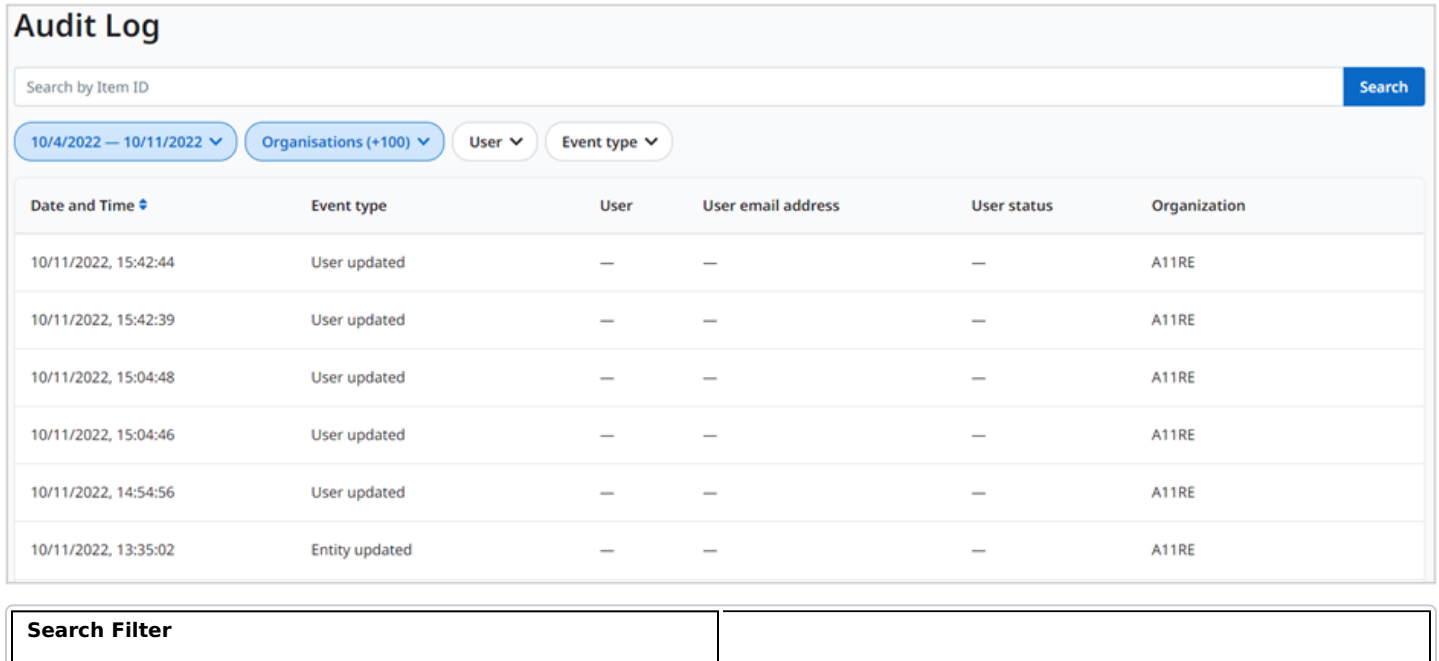

Verifone Central - Device Management feature supports **Audit Log** which enables recording the events/activities chronologically. The Audit Log feature provides an option to search logs based on the time Interval, Organization ID, User and Event Type.

Follow the option sequence below to view the Audit Logs.

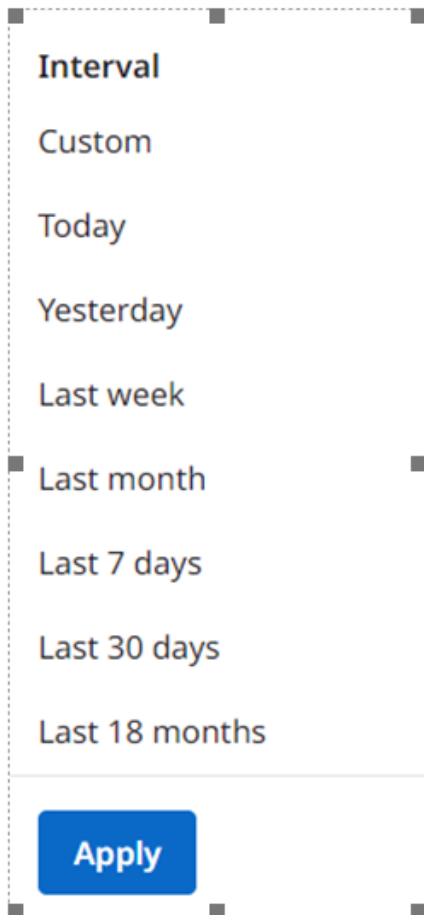

Verifone Central -> Device Management -> Reports -> Audit Log

Click **Audit Log**.

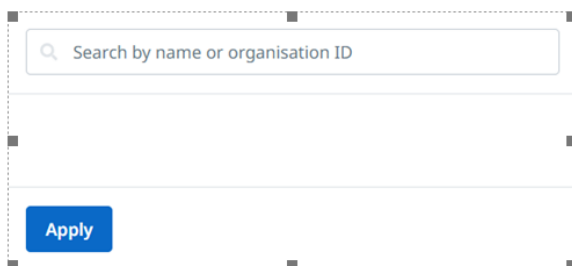

Date and Time	Event type	User	User email address	User status	Organization
10/11/2022, 15:42:44	User updated	—	—	—	A11RE
10/11/2022, 15:42:39	User updated	—	—	—	A11RE
10/11/2022, 15:04:48	User updated	—	—	—	A11RE
10/11/2022, 15:04:46	User updated	—	—	—	A11RE
10/11/2022, 14:54:56	User updated	—	—	—	A11RE
10/11/2022, 13:35:02	Entity updated	—	—	—	A11RE

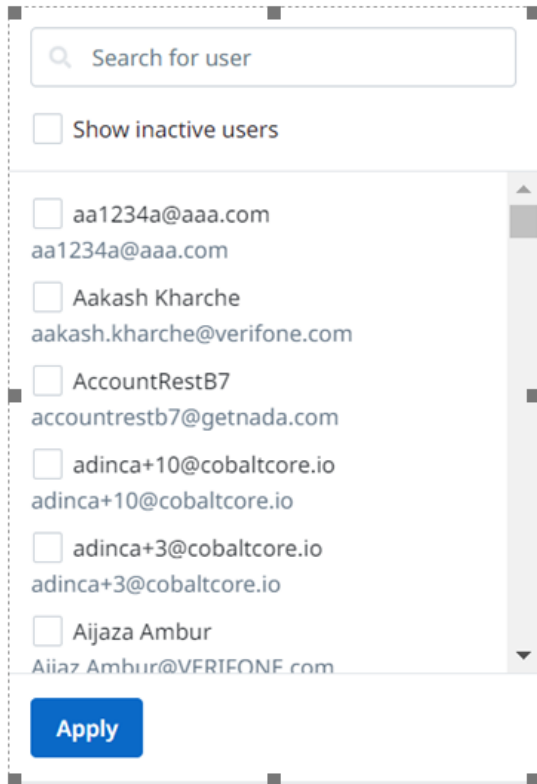

A vertical dropdown menu with a dashed border and corner handles. The menu is titled "Interval" in bold. It contains the following options: "Custom", "Today", "Yesterday", "Last week", "Last month", "Last 7 days", "Last 30 days", and "Last 18 months". At the bottom of the menu is a blue button with the text "Apply".

Select the **Interval** filter to narrow down the search to view the specific Audit log data.

A search input field with a dashed border and corner handles. It contains a search icon and the placeholder text "Search by name or organisation ID". Below the input field is a blue button with the text "Apply".

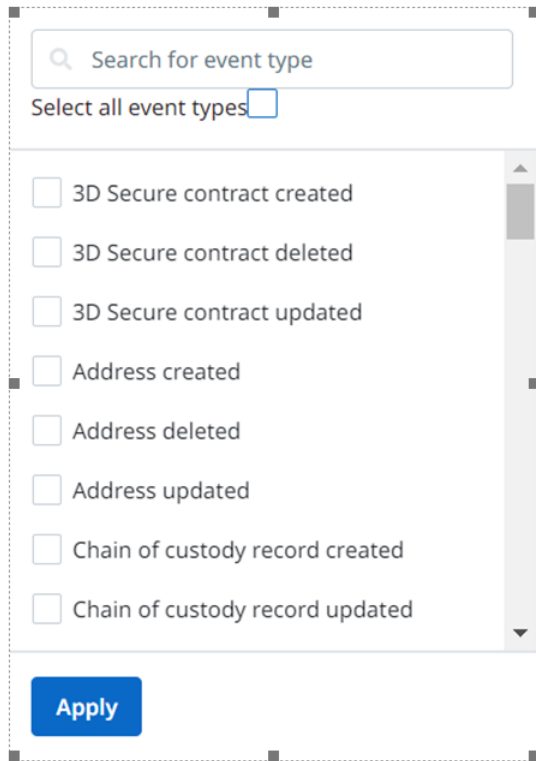

Enter the **Organization ID** to narrow down the search to view the specific Audit log data.

The screenshot shows a user search interface. At the top is a search bar with a magnifying glass icon and the placeholder text "Search for user". Below the search bar is a checkbox labeled "Show inactive users". A list of users is displayed below, each with a checkbox, a name, and an email address. The users listed are: aa1234a@aaa.com, Aakash Kharche, AccountRestB7, adinca+10@cobaltcore.io, adinca+3@cobaltcore.io, and Aijaza Ambur. At the bottom of the list is a blue "Apply" button.

Search for user
<input type="checkbox"/> Show inactive users
<input type="checkbox"/> aa1234a@aaa.com aa1234a@aaa.com
<input type="checkbox"/> Aakash Kharche aakash.kharche@verifone.com
<input type="checkbox"/> AccountRestB7 accountrestb7@getnada.com
<input type="checkbox"/> adinca+10@cobaltcore.io adinca+10@cobaltcore.io
<input type="checkbox"/> adinca+3@cobaltcore.io adinca+3@cobaltcore.io
<input type="checkbox"/> Aijaza Ambur Aijaz Ambur@VERIFONE.com
<input type="button" value="Apply"/>

Select the **Search for user** filter to narrow down the search to view the specific Audit log data.

The screenshot shows a web interface for filtering audit log data by event type. At the top is a search bar with the placeholder text "Search for event type". Below the search bar is a link that says "Select all event types" followed by a small square icon. A list of event types follows, each with an unchecked checkbox: "3D Secure contract created", "3D Secure contract deleted", "3D Secure contract updated", "Address created", "Address deleted", "Address updated", "Chain of custody record created", and "Chain of custody record updated". A vertical scrollbar is on the right side of the list. At the bottom of the list is a blue button labeled "Apply".

Select the **Event Type** filter to narrow down the search to view the specific Audit log data.
