

## View a Tenant

Follow the option sequence below to view tenants.

**Verifone Central -> Device Management -> Tenants -> View Tenant**

The screenshot displays the Verifone Central interface for managing tenants. The top navigation bar includes the Verifone logo and links to Device Management, Reports, Administration, and Help & Support. The main section is titled 'Tenants' and features a 'View Tenant' button. Below this, a list of tenants is shown, each with a status icon (a green circle with a white 'T') and a list of associated resources.

Tenant Name	Status	Reference sets	Content packages
Tenantdel	Active	2	1
dfdsf	In Active	1	1
