

View a Tenant

Follow the option sequence below to view tenants.

Verifone Central -> Device Management -> Tenants -> View Tenant

The screenshot shows the Verifone Central interface. The top navigation bar includes the Verifone logo and links to Device Management, Reports, Administration, and Help & Support. The main heading is 'Tenants'. Below this, there is a 'View Tenant' button. The main content area displays a list of tenants with their status and associated resources.

Tenant ID	Status	Reference sets	Content packages
