

Content Rollout for Batch Devices

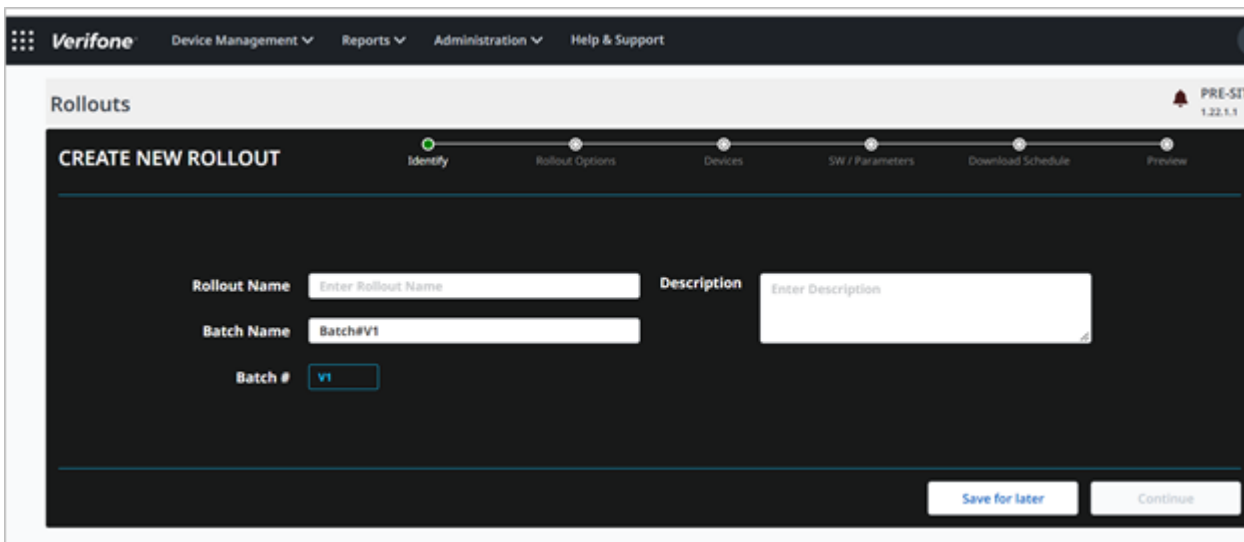

Follow the option sequence below to roll out a software/parameter/content download to a batch of devices.

Verifone Central -> Device Management -> Rollouts -> View Current -> Create New Rollout

The dashboard shows the status of rollouts with five summary cards: FAILED (22), SUCCESSFUL (0), IN PROGRESS (1), NOT YET STARTED (1), and SUCCESS RATE (0%). Below these is a table of rollouts.

Category	Batches	Completed	In Progress	Not Started	Devices	Success	Failed	In Progress Devices
Content	1	0	1	0	1	0	0	1
Software	1	1	0	0	7	0	0	0

The form is titled 'CREATE NEW ROLLOUT' and includes a progress bar with steps: Identify, Rollout Options, Devices, SW / Parameters, Download Schedule, and Preview. The 'Identify' step is currently active.

Rollout Name: Description:

Batch Name:

Batch #:

Buttons:

The rollout Name is uniquely provided by the user.

Batch Name is provided by the user, a rollout name can have several batch names.

The **Save for later** option will save the entries for later stages.
