Installation

Follow the steps below to integrate with the Hosted Payments Page (HPP) / iFrame by using the PrestaShop plugin:

1. Download the **Verifone payment module** from the link provided in the table at the bottom of this page.

2. Log in to your PrestaShop admin panel and navigate to *Modules ? Module Manager*.

   Integrate PrestaShop Plugin for Verifone

3. On the *Module Manager* page, click on the **Upload module** and upload the **verifone-prestashop.zip** archive which you can download from the table at bottom of this page.

   Integrate PrestaShop Plugin for Verifone_2

   Integrate PrestaShop Plugin for Verifone_3

Once the installation is complete, make sure to configure the Verifone settings.

Download Verifone Payment Module

Release date	Build	Release notes
