

<https://verifone.cloud/docs/online-payments/plugins/opencart-3-plugin-integration/installation>

Updated: 21-Mar-2025

Installation

Follow the steps below to integrate with the Hosted Payments Page (HPP) by using the OpenCart plugin:

1. Download the [Verifone payment module](#) from the link provided in the table at the bottom of this page.
2. After you download the file, rename it to remove __0 (for example, from **verifone-2.1.1.ocmod__0.zip** to **verifone-2.1.1.ocmod.zip**).
3. Log in to your OpenCart admin panel and navigate to *Extensions ? Installer*.

Integrate OpenCart Plugin for Verifone_1

4. On the **Extension Installer** page, click on **Upload** to upload your extension files.

Integrate OpenCart Plugin for Verifone_2

5. Go to *Extensions ? Choose the extension type* and select the **Payments** extension type from the drop-down list.

Integrate OpenCart Plugin for Verifone_3

6. Scroll down through the **Extensions** list and click **Install** on the Verifone Hosted payment option.

Integrate OpenCart Plugin for Verifone_4

Once the installation is complete, make sure to [configure the Verifone settings](#).

Download Verifone Payment Module
