Electrical

Separate Power Sources

This product is designed to receive the below input voltage rating.

NOTE: The reference input power rating for the K450 SS / K450 DS / K450 WM:

Input Voltage: 120-240V, 50/60Hz
Max. Current: 2A – K450 SS / K450 WM
4A – K450 DS

Individual components that are internal to the kiosk maintain their own power supply component, which are also internal to the kiosk. Power ratings can be found on the Listing Report. Each kiosk is designed to be on an individual circuit with a 15A breaker. Kiosk may be hardwired to circuit or plugged into an outlet.

Location – Electrical Considerations

WARNING! This device contains sensitive electronic components that can be permanently damaged if exposed to excessive shock, electrical interference or vibration.

AVERTISSEMENT! Cet appareil contient des composants électroniques sensibles qui peuvent être endommagés de façon permanente si elle est exposée à des chocs excessifs, des interférences électriques ou des vibrations.

CAUTION: This kiosk is intended for indoor use only. Due to risk of electrical shock or terminal damage, do not use the terminal near water. Also, avoid using this product during electrical storms. Avoid locations near electrical appliances or other devices that cause excessive voltage fluctuations or emit electrical noise (for example, air conditioners, neon signs, high-frequency or magnetic security devices, or electric motors).

ATTENTION: *Du fait d'un risque d'électrocution ou d'une détérioration du terminal, ne pas utiliser cet équipement près d'une source d'eau, par exemple près d'une baignoire, d'un lavabo, d'un évier de cuisine ou d'un bac de lavage, dans un sous-sol humide ou à proximité d'une piscine. De même, éviter d'utiliser ce produit lors des orages provoquant des coupures électriques. Éviter de placer le terminal à proximité d'appareils électriques ou autres unités pouvant entraîner des fluctuations de tension importantes ou des interférences électriques, tels que les climatiseurs, enseignes au néon, dispositifs de sécurité à haute fréquence ou équipements électriques.*

Equipment

Location – Environmental Considerations

Do not plug the kiosk into an outdoor outlet or operate the kiosk outdoors. It is not waterproof or dustproof and is for indoor use only. Any damage to the unit from exposure to rain or dust may void your warranty.

Do not use the kiosk or its components where there is high heat, dust, humidity, moisture, or caustic chemicals or oils. Keep the kiosk away from direct sunlight and anything that radiates heat, such as a stove or a motor.

WARNING! Your kiosk contains sensitive electronic components that can be permanently damaged if exposed to excessive shock or vibration. To minimize the risk of damage to your kiosk, ensure that your kiosk is securely mounted at all times and avoid operating it in high-shock and high-vibration environments. Do not store the kiosk where prolonged exposure to extreme temperature can occur, because it can cause permanent damage. Do not expose the kiosk or its electronic components to water. Contact with water can cause this unit to malfunction.

AVERTISSEMENT! *Votre terminal de point de vente contient des composants électroniques sensibles, susceptibles de subir des dommages définitifs en cas d'exposition à des chocs ou à des vibrations excessives. Pour minimiser le risque de dommages pour votre terminal, éviter de le faire tomber ou de l'exposer à des environnements pouvant provoquer des chocs et des vibrations excessives. Ne pas stocker le terminal dans des lieux susceptibles d'entraîner une exposition prolongée à des températures extrêmes, du fait des dommages définitifs que cette situation peut provoquer. Ne pas exposer le terminal à l'eau. Un contact avec de l'eau peut provoquer un dysfonctionnement de l'unité.*

Repairs

Do not, under any circumstances, attempt any service, adjustments, or repairs on this device. Instead, contact your local Verifone distributor or service provider for assistance. Failure to comply may void the product warranty.

K450 SS / K450 DS / K450 WM Certifications and Regulations

FCC Compliance

The following device has been tested and certified as compliant with the regulations and guidelines set forth in Part 15 of FCC Rules:
Manufacturer: Verifone, Inc.
Brand: Verifone
Model: K450 SS / K450 DS / K450 WM

Kiosk may contain one or more Radio Modules with the following FCC identification numbers (also on label on bottom of computer):

FCC ID: PD9960NG
FCC ID: PD93165NGLJ
FCC ID: PD98265NG
FCC ID: TX2-RTL8821AE
FCC ID: TX2-RTL8821CE

Part 15 of FCC Rules

This device complies with the limits for a Class A digital device as specified in Part 15 of FCC Rules which provide reasonable protection against harmful interference in a residential installation.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference.
- (2) This device must accept any interference received, including interference that may cause undesired operation.

Industry Canada Class A Emission Compliance Statement

This Class A digital apparatus complies with Canadian ICES-003.

Cet appareil numérique de la classe A est conforme à la norme NMB-003 du Canada.
